Welcome to ENNU.

At ENNU we provide the highest quality aesthetic services and aesthetic injectables. ENNU focuses on helping our clients achieve ultimate skin health by utilizing proper medical grade products and integrating appropriate and evidence-based skin health procedures.

ENNU Menu of Services

INJECTABLES

Botox - \$14/unit

Botox is used to treat fine lines and wrinkles in the forehead, frown lines, and crow's feet.

Time in office: 30 minutes

Recovery time: No laying down(for 4 hours), drinking alcohol or working out for 24 hours

Results Last: 3-4 months

Recommended Treatments: One Treatment every 3 to 4 months

Treatment performed by: Registered Nurse

Cost: Each client varies

Protocols-

No pregnant or breast feeding

You can't be on blood thinners for 24 hours

Xeomin - \$12/unit

Xeomin improves the look of moderate fine lines and wrinkles. Xeomin is used to treat fine lines and wrinkles in the forehead, frown lines, and crow's feet. (This a Neurotoxin that is often called Botox)

Time in office: 30 minutes

Recovery time: No laying down(for 4 hours), drinking alcohol or working out for 24 hours

Results Last: 3-4 months

Recommended Treatments: One Treatment every 3 to 4 months

Treatment performed by: Registered Nurse

Cost: Each client varies

Protocol-

No pregnant or breastfeeding

You can't be on blood thinners for 24 hours

Dysport - \$4/unit

Dysport softens expression lines on the forehead, glabellar, and crow's feet.

(This is a Neurotoxin that is often called Botox)

Time in office: 40-45 minutes

Recovery time: No laying down (for 4 hours), drinking alcohol or working out for 24 hours

Results Last: 3-4 months

Recommended Treatments: One Treatment every 3 to 4 months

Treatment performed by: Registered Nurse

Cost: Each client varies

Protocol-

No pregnant or breastfeeding

You can't be on blood thinners for 24 hours

Fillers \$600/\$675 full syringe - ½ syringe \$399

Dermal fillers restore volume loss to the mid-face, lower-face, and lips.

Time in office: 40-45 minutes

Recovery: no drinking alcohol or working out for 24 hours

Results Last: 8-10 months

Recommended Treatments: Each client varies

Treatment performed by: Registered Nurse

Cost: \$600/\$675 or \$399

Protocol-

No pregnant or breastfeeding

You can't be on blood thinners for 24 hours

Kybella \$500 per treatment

KYBELLA® is a prescription medicine used in adults to improve the appearance and profile of moderate to severe fat below the chin (submental fat), also called “double chin.”

It is not known if KYBELLA® is safe and effective for the treatment of fat outside of the submental area or in children under 18 years of age.

Time in office: 40-45 minutes

Recovery: no drinking alcohol or working out for 24 hours

Results Last: Permanent results

Recommended Treatments: Each client varies

Treatment performed by: Registered Nurse

Cost: \$50 per treatment

Protocol-

No pregnant or breastfeeding

You can't be on blood thinners for 24 hours

Sculptra \$800 per vial

Sculptra Collagen Boost \$200 per treatment

Sculptra is a collagen stimulator that helps to repair the underlying structure of the skin. This adds fullness to the face and diminishes the appearance of any wrinkles and fine lines. Sculptra is most commonly injected to reduce the appearance of smile lines, marionette lines, and wrinkles around the chin.

Time in office: 40-45 minutes

Results Last: 1-2 years

Recommended Treatments: Each client varies

Treatment performed by: Registered Nurse

Cost: \$750

Protocol-

No pregnant or breastfeeding

You can't be on blood thinners for 24 hours

Facials

Gentleman - \$100

A medical grade facial tailored to each gentleman's individual skin needs.

Time in office: 60 minutes

Recovery time: No recovery time needed

Recommended Treatments: Monthly or bimonthly for maximum results

Treatment performed by: Licensed Esthetician

Cost: \$80

ENNU Glow - \$100

The ENNU Glow facial is a medical grade treatment that begins with a gentle hydrating, cleansing and micro-exfoliation to remove surface debris. The skin is then prepped for a triple action resurfacing process to enhance brightness and clarity, and address skin texture, fine lines, and wrinkles. ZO® Aloe Hydra gel is applied to cool, calm and soothe the skin, followed by facial massage to minimize facial stress, and maximize relaxation.

Time in office: 60 minutes

Recovery time: No recovery time needed

Recommended Treatments: Monthly or bimonthly for maximum results

Treatment performed by: Licensed Esthetician

Cost: \$80

Dermaplaning Facial - \$100

Dermaplaning is an exfoliating treatment performed on freshly cleaned skin using a sterile blade to safely remove old skin cells revealing the healthier underlying layer. The procedure eliminates dull and dead surface skin cells and vellus (peach fuzz) hair, instantly revealing healthy, smooth, and glowing skin.

Time in office: 60 minutes

Recovery time: No recovery time needed

Results Last: Permanent

Recommended Treatments: Monthly or bimonthly for maximum results

Treatment performed by: Licensed Esthetician

Cost: \$100

Protocol-

Only facial we offer for pregnant or breastfeeding

HydraFacial

HydraFacial is one of the most powerful, non-invasive skin resurfacing treatments available today that creates an instantly gratifying glow without discomfort or downtime.

Level 1: Signature - \$170

The perfect 30-minute intro to hydrated, amazing skin, the Signature HydraFacial is the first step to get GLOWING. Whether you're short on time, feel like you could use a skin-reset, or just need a quick pick-me-up, this leveled-up facial treatment leaves you with polished, hydrated and radiant skin.

Time in office: 45-60 minutes

Recovery time: No recovery time needed

Recommended Treatments: Monthly or bimonthly for maximum results

Treatment performed by: Licensed Esthetician

Cost: \$170

Level 2: Deluxe - \$220

When you're ready to move from prevention to correction - the Deluxe is the way to go. This treatment is 45 minutes of pure ENNU HydraFacial bliss - with the addition of personalized treatment options/boosters to target skin concerns, partnered with relaxing and rejuvenating LED Light Therapy. We like to think of it as "baking in your booster" to increase efficacy. This customized treatment will leave you totally radiant.

Time in office: 60 minutes

Recovery time: No recovery time needed

Recommended Treatments: Monthly or bimonthly for maximum results

Treatment performed by: Licensed Esthetician

Cost: \$220

Level 3: Platinum - \$260

The Platinum HydraFacial is the ultimate luxury suite of facial treatments. It combines detoxifying lymphatic drainage therapy, customized treatment boosters for targeted skin concerns, and Blue or Red LED Light Therapy during a 1-hour experience of total skin transformation - for the Full Detox.
