DERMAL FILLER TREATMENTS

Page: <https://ennu.co/aesthetics/services/fillers>

1. Cheek Filler

- **Price:** \$399 - \$700+
- **Description:** Enhances volume in the mid-face area, helping to lift and contour the cheeks. Restores youthful fullness, balances facial proportions, and reduces the appearance of sagging or hollowing caused by aging.

2. Lip Filler

- **Price:** \$399 - \$700+

- **Description:** Adds volume, shape, and definition to the lips using hyaluronic acid-based injectables. Whether you want subtle enhancement or a fuller pout, lip fillers can help achieve natural-looking, balanced results.

3. Chin Filler

- **Price:** \$399 - \$700+

- **Description:** Non-surgical treatment that adds projection and definition to the chin. Helps create a more balanced profile, improves facial symmetry, and can soften the appearance of a recessed or weak chin.

4. Jaw Filler

- **Price:** \$399 - \$700+

- **Description:** Sculpts and defines the lower face by enhancing the jaw's contours. Creates a sharper, more structured look and can help reduce the appearance of jowls or sagging skin along the jawline.

MICRONEEDLING TREATMENTS

Page: <https://ennu.co/aesthetics/services/microneedling>

1. Microneedling Treatment

- **Price:** \$350.00

- **Description:** Rejuvenating procedure that uses fine needles to stimulate collagen production, improving skin texture, tone, and reducing fine lines and scars for a smoother, youthful complexion.

2. RF Microneedling

- **Price:** \$550.00

- **Description:** Combines microneedling with radiofrequency energy. This treatment enhances skin tightening and rejuvenation by delivering heat deep into the skin, improving texture, firmness, and reducing wrinkles.
