[@Luka Lah](#) [0:12]: So look, Real fast, real easy.

[@Luis Escobar](#) [0:13]: Yeah.

[@Luka Lah](#) [0:17]: Let's check on trust pilots. They supposedly Took down some of the reviews.

[@Luis Escobar](#) [0:24]: Yeah. Yeah, I saw, I saw that email come in this morning.

[@Luka Lah](#) [0:29]: Which reviews the Oh

[@Luis Escobar](#) [0:36]: Recently there was some like really like. Right Super scammy ones. I'm guessing that's the ones. Let me look into it. Mhm.

[@Luka Lah](#) [0:46]: And let's see. Let's go check. Let's go check. Let's do it. We got 48 reviews.

[@Luis Escobar](#) [0:54]: Mhm.

[@Luka Lah](#) [0:56]: Yeah. 2.9. What

[@Luis Escobar](#) [1:02]: Yeah, right.

[@Luka Lah](#) [1:04]: Bro

[@Luis Escobar](#) [1:08]: That's wild. I'm also like a little excited to do like the AI cash account cause I feel like no one's gonna, you know, there's no bad reviews there.

[@Luka Lah](#) [1:26]: Oh, look, March 4th, Christopher Noto. They deleted a lot of our our views. They went and deleted the

[@Luis Escobar](#) [1:29]: Mhm Mhm. Yeah, that's great.

[@Luka Lah](#) [1:49]: What the fuck, bro, you gotta appeal to that.

[@Luis Escobar](#) [1:53]: Mhm.

[@Luka Lah](#) [1:56]: Now they, they, they send through the yeah let's see, because the guys, the guys we paid the guys, they cannot take it down. The guy, the guys have all these emails. They will reply and, and, and, and show proof, you know.

@Luis Escobar [1:56]: I'm on it.

@Luis Escobar [2:13]: Oh, Jay's guys.

@Luka Lah [2:16]: The guys that were doing this, the guys that gave us all the bro, let's be on point.

@Luis Escobar [2:19]: Yeah, yeah.

@Luka Lah [2:24]: Yeah.

@Luis Escobar [2:26]: Oh, OK. That too.

@Luka Lah [2:31]: Who's Richard Beck?

@Luis Escobar [2:35]: That's, that's a client.

@Luka Lah [2:45]: Why do we first have she reviews on top. See what the reviewers are saying is all she reviews.

@Luis Escobar [2:55]: But I know Hey, looking at that thing.

@Luka Lah [2:59]: They completely destroyed our trust pilot.

@Luis Escobar [3:02]: Mhm

@Luka Lah [3:08]: OK, this needs to be fixed, done. Now let's go into the fixing mode and instead of talking. Second.

@Luis Escobar [3:14]: Yeah

@Luka Lah [3:20]: AI cash account.

@Luis Escobar [3:21]: Exactly, let's talk about that. That's, I think that's the solution.

@Luka Lah [3:25]: AI cash account is exactly what the Isaac said yesterday, there's going to be 3 different packages for ears. One is going to be the standard second one is going to be silver standard, the the, the biggest one is gonna be gold standards, OK? AI cash account already has a logo already has a theme, so.

@Luis Escobar [3:35]: Mhm. Mhm. Mhm.

@Luis Escobar [3:52]: Mhm

@Luka Lah [3:53]: I think it can just be it. You know, it could be the same as we have, but, but just, just change the color.

@Luis Escobar [3:59]: They make that, yeah. Correct.

@Luka Lah [4:02]: But if you now you can if you can make a different design too, but everything else similar and the same, then we need to adjust the coffee too. Keep listening, keep listening. Then we need to adjust the copy too.

@Luis Escobar [4:09]: Yeah, I, I'll do that eventually.

@Luka Lah [4:17]: To the new language which is going to be more in terms of 401ks and, and these type of things because this one's going to be under the Canadian regdi, and we can, and we can do 401k and this is going to be the easiest flow because it's not gonna be like selling, you know. Here is where, where, where, where we're really going to take effect. First of all, we're going to, we're going to earn 34 times more than we are earning right now.

@Luis Escobar [4:29]: Mhm. Mhm. Mhm.

@Luka Lah [4:45]: And we're going to be giving clients on the smaller package on the standard package, 1.25% a month guaranteed. We're gonna give them on On the silver standard 1.5 guaranteed.

@Luis Escobar [5:00]: Mhm Mhm.

@Luka Lah [5:02]: And on the gold standard 1.75 guaranteed.

@Luis Escobar [5:07]: Mhm.

@Luka Lah [5:09]: First The standard is \$25,000 minimum deposit to get that to to

@Luis Escobar [5:15]: Mhm

@Luka Lah [5:17]: To to activate that one. The second one is What is it? 500 or 100 grand, and then the third one's going to be 250 or more.

@Luis Escobar [5:34]: Mhm, mhm.

@Luka Lah [5:35]: Something like that.

@Luis Escobar [5:37]: Yeah, I believe so. I work with that now.

@Luka Lah [5:39]: OK let's keep it like this for now. This is the placeholders we're going to be reviewing all of this tomorrow. But just get it all ready and tomorrow we can review and, and make a necessary amendments to the

@Luis Escobar [5:44]: Yeah, yeah. Mhm. Yeah.

@Luka Lah [5:53]: To the vocabulary, but you are just vocabulary through JGBT rights. They just have the, the, the landing, working landing page ready that we can. Give proper insight tomorrow and, and then we can slowly launch it because now the guys are going to be doing the ads and

@Luis Escobar [6:02]: Yeah, yeah. Mhm.

@Luka Lah [6:10]: Let them do the proper thing in African capital stays like this with all the packages, everything, everything, how

@Luis Escobar [6:15]: Mhm

@Luka Lah [6:17]: How they want it and we just, we just run it both because here, This is going to be a cash cow, because here it's more like, we just, we just need to get in front of these people to, to, to, to trigger them. Oh, I just moved my custodian and I'm making more, you know.

@Luis Escobar [6:24]: Mhm. Yeah, yeah, yeah.

@Luka Lah [6:37]: You know, so we need to be one of them. We are the little cool, new one, but not really cool. It used to be like chat UPT, you know.

@Luis Escobar [6:40]: I No, it's gonna be awesome, yeah, yeah, it's gonna be awesome.

@Luka Lah [6:48]: Clean. It's not cool. It doesn't look too old, but it doesn't give you nothing. It's just there to serve.

@Luis Escobar [6:52]: Mhm. It's, I'm gonna do an MVP and it's gonna get better and better every week, but

@Luka Lah [6:59]: Yes, of course, of course. Let's do an MVP at least we have MVP and then we can give proper feedback tomorrow in terms of a little bit of adoption of the copy that we that we feel feel, but, but that's it, yeah. We want 401k and IRAs to flawlessly flow into these by them just changing the custodian and the shortest path to get there, and we cannot do it because we are rag defiled in Canada, so proper, proper and

@Luis Escobar [7:02]: Go. Yeah, yeah. Yeah. Mhm.

@Luis Escobar [7:21]: Mhm. Um-hum. Mhm Yeah. Think of it, yeah, keep it proper.

@Luka Lah [7:29]: And what happens here. Sorry?

@Luis Escobar [7:32]: I, I think it's like our new lead magnet, if you will, right? Like, you know, it's our front door, and if somebody wants, you know, to, to chase private client experience, then they come to, you know, the

@Luka Lah [7:44]: Yeah, they start paying us something, something, something, but they are taking away our profitability, so.

@Luis Escobar [7:50]: Yeah, yeah

@Luka Lah [7:51]: You know, it's all going to even out, but then on the other side we're getting profitability from the trade sale and then the rest is ours, so it's like, it's just sinning the skinning the cat from, from all sides. If you know for somebody.

@Luis Escobar [7:56]: Mhm. Yeah. You know

@Luka Lah [8:07]: That is has a cat that I will adopt a cat.

@Luis Escobar [8:15]: Adopt OK.

@Luka Lah [8:16]: Do the cat. OK, so we got a reviews, we got AI cash account.

@Luis Escobar [8:19]: I can give you that.

@Luka Lah [8:23]: What else so that we don't forget, oh, I'm boarding these kids and they need Zach and he's saying that he needs Something That he, is he?

@Luis Escobar [8:35]: Yeah, they sent the document. I'm, I'll fill it out. I got home like.

@Luka Lah [8:38]: Uh-huh, you're gonna fill the document out, OK? I think that's the first order of business, then At some point, try to figure out with this reviews.

@Luis Escobar [8:50]: Mhm, mhm.

@Luka Lah [8:51]: And throughout the day to Whatever you, you've been, you've been on before and this is

@Luis Escobar [8:55]: Yeah, so I wanna show you the, I don't know if you saw that video I sent you yesterday of so it's just AI agent that makes AI agents, essentially.

@Luka Lah [8:59]: No. But this is like what the fuck, exactly what I've been asking, you know, when we make it radical, it just appears. It's not necessary. It's not like we need to build it, you know, now we're just, and we are at Times Louis, please take it to heart when you just need to believe it for yourself and the way I make it believe for myself is like to see that it is possible, you know what I understand, so we, we must always convince ourselves that it's possible even if it's delusional because because the delusional only seems to

@Luis Escobar [9:09]: Yeah, yeah, yeah. No. Yeah. Yeah.

@Luis Escobar [9:29]: Yeah.

@Luka Lah [9:34]: Limited past self didn't understand what's possible because he didn't allow himself to believe in it, you know. Belief just comes for itself and then everything manifests. I want us on the 20th August on a super yacht.

@Luis Escobar [9:36]: Yeah. Yeah.

@Luka Lah [9:48]: Spending, I don't know, 35 days with our families in Chile and it's Chef and we go to the Bahamas and chill and Bro, like, I don't know, whatever we do, you get what I'm trying to say, eat the best food and just enjoy it on the fucking mega act, you know what I mean, ours us and our families. Incredible, incredible.

@Luis Escobar [10:07]: OK. Yeah Yeah, yeah, man.

@Luka Lah [10:10]: And some heavy checks and some fucking heavy checks.

@Luis Escobar [10:13]: Yeah.

@Luka Lah [10:14]: As we did AI cash account, you started it great, you found the proper thing. Isaac had some good inputs yesterday. That's the, that's, that's, that's exactly what

@Luis Escobar [10:22]: Yeah, man.

@Luka Lah [10:26]: I was thinking of and had in mind.

@Luis Escobar [10:29]: We've, we've been sitting on it. Wow.

@Luka Lah [10:29]: But we were missing and now you guys came in and completed it. It's perfect.

@Luis Escobar [10:33]: Yeah, yeah, we, you know, we, we've been sitting on it for.

@Luka Lah [10:35]: Really proud of us, really proud of us.

@Luis Escobar [10:37]: We, we could have, you know, I, I was thinking about that too, like, we've been sitting on this idea for a while. Like we, we knew we wanted this.

@Luka Lah [10:43]: Mhm.

@Luis Escobar [10:45]: Why don't we just execute it the moment we knew we want.

@Luka Lah [10:47]: It's easier, it's better because I think a little bit inside of us, we still believe that oh my God, this is too easy to be true, too easy to be true, but imagine how easy it is when you manifest an instantly just by believing in everything that that you want to imagine. Basically that's what psychedelics do, you know.

@Luis Escobar [11:00]: Yeah, yeah. Mhm. Yeah

@Luka Lah [11:09]: They, they delete the ego ego is the limit. So then you just believe that I don't know, you know, the tree is melting and it's melting.

@Luis Escobar [11:10]: Yeah.

@Luka Lah [11:18]: I experienced it so many times when I scared myself, you know, when we were, I don't know, fucking in Bali or somewhere or something. And we get super high and then you start going into the dark mode.

@Luis Escobar [11:25]: Yeah Yeah.

@Luka Lah [11:31]: And then through with my, you know, I don't know because I was a coach and I was preaching this shit all the time. I tried my own techniques like breathing and all this shit and I completely converted the energy and now that's what we do magic. It's, it's basically converting energy that you get into energy that that that that you would more want it to be, you know, like just basic tuning into.

@Luis Escobar [11:46]: Yeah No.

@Luka Lah [11:59]: Just believing shit, bro, that's it. Fuck that. That's easy. That's easy. It's all mechanically you see.

@Luis Escobar [12:01]: That's Yeah.

@Luka Lah [12:05]: And we all, it can be very mechanical. That's what I want to achieve with all these little rules and, and proper way of doing things is going to serve us well, serve us well.

@Luis Escobar [12:15]: No, we got the right idea, man. Let's just, let's, let's build the right team. I think we've got, we made the right move with this new marketing, you know, team. Put photograph, you know, the, the closures.

@Luka Lah [12:25]: Yes.

@Luis Escobar [12:31]: Try to get some sales in, but yeah cash accounts gonna fix. Let me just, you know, I'm gonna make this live ASAP.

@Luka Lah [12:34]: So Yeah Yeah, me and Isaac, me and Isaac will be taking the course at the beginning.

@Luis Escobar [12:43]: Mhm, mhm.

@Luka Lah [12:44]: And See what's up?

@Luis Escobar [12:47]: Yeah.

@Luka Lah [12:49]: See what's up.

@Luis Escobar [12:50]: That That'll be perfect cause I mean, you guys will set the tone for the way it should be done.

@Luka Lah [12:55]: Exactly. And discovered some easier ways to do it and the, the perfect script and whatnot, not through somebody else's eyes, but

@Luis Escobar [12:57]: Yeah

@Luka Lah [13:03]: Personal experience is gonna be amazing. I came up with. Let's get it done.

@Luis Escobar [13:04]: Yeah.

@Luka Lah [13:09]: Anything else? Anything else I need to think of. The guys are going to start tomorrow, I guess we're going to have a strategic calendar. Our blog for tomorrow 1:30 p.m.

@Luis Escobar [13:24]: Mhm

@Luka Lah [13:26]: That's perfect.

@Luis Escobar [13:28]: All right. That's all for now, sir.

@Luka Lah [13:30]: And you put some, you put Sorry?

@Luis Escobar [13:33]: That's all I got for now, but. You you

@Luka Lah [13:36]: Yeah, that's it. just if we put out some ads for these kids or not?

@Luis Escobar [13:43]: So, oh, what I

@Luka Lah [13:43]: But

@Luis Escobar [13:44]: Sent you the Those two like.

@Luka Lah [13:47]: 02 things there. One is recruiting and one is, one is your AI.

@Luis Escobar [13:49]: Yeah. No, the, the, the two websites I sent you, we can post it on there. I, I created an account, but it doesn't publish unless we pay, so it's like 200. Each Or we can do that.

@Luis Escobar [14:06]: And the same thing with.

@Luka Lah [14:07]: OK.

@Luis Escobar [14:08]: Indeed, when you post on Indeed, it's, you get You get billed for every time somebody applies.

@Luka Lah [14:17]: OK. So do we need to be very intentional what we're looking for. Make, make a post and let me see it. And then we're gonna run it immediately.

@Luis Escobar [14:18]: Yeah All right, all right. I'll share that with you.

@Luka Lah [14:28]: But now share the AI that you wanted to share.

@Luis Escobar [14:32]: It's in and oh I got an A.

@Luka Lah [14:32]: I'm on my computer.

@Luis Escobar [14:39]: And log in as Luca F in capital.

@Luka Lah [14:44]: To where? And

@Luis Escobar [14:47]: And 8 But And

@Luka Lah [14:58]: Like this?

@Luis Escobar [15:06]: So, I'm gonna send you a link to our I sent you an

@Luka Lah [15:10]: Just tell me.

@Luis Escobar [15:11]: It's in your

@Luka Lah [15:11]: Slack, slash slack.

@Luis Escobar [15:24]: Invite Yeah. That

@Luka Lah [15:39]: Uh-huh Make sure to book in tomorrow at 1:30, so that Isaac's got it in his calendar and notify him about it.

@Luis Escobar [15:47]: Yeah, I see it online. I'll make sure it's on his.

@Luka Lah [15:51]: Yeah, he's not going to see this like, you know.

@Luis Escobar [15:54]: Yeah

@Luka Lah [15:55]: OK, look.

@Luis Escobar [15:59]: OK.

@Luka Lah [16:06]: Why? I need to set up an account.

@Luis Escobar [16:09]: Yeah. There you go.

@Luka Lah [16:11]: OK. But OK, well, no.

@Luka Lah [16:33]: OK, talk to me now. It's symmetry.

@Luis Escobar [16:37]: OK. On the left, do you see a menu? Huh, right. AI agent. Builder. You see that right there in the menu AI agent builder.

@Luis Escobar [16:55]: It's like 5th 1 down. Yeah Yeah

@Luka Lah [17:05]: OK. But now

@Luis Escobar [17:12]: It's not the same one. I think I got like add you now to this project cause you just accepted it. Let me see.

@Luka Lah [17:30]: Yeah, last update at 45, 4 minutes ago. Active, open. Yeah

@Luis Escobar [17:38]: Agent builder, Cher.

@Luka Lah [17:56]: What a fuck, man, but I don't know how to get.

@Luis Escobar [17:57]: OK, no, yeah, that's the one. Looks just a little weird on your screen. Scroll down. Is there a button there? To edit.

@Luka Lah [18:05]: I'll chat.

@Luis Escobar [18:06]: Yeah, open. OK. So now they

@Luka Lah [18:12]: So.

@Luis Escobar [18:14]: So that, this is the part where I was just like having Some time trying to figure out how to do it best. You gotta like, but I was, I go to Trage TP or, or, or Gemini and I ask it to help me write. The prompt, but just for a simple example right now, say, right, create a

@Luis Escobar [18:37]: AI agent that has access to HubSpot and communicates to me via Slack.

@Luka Lah [19:30]: You see what I'm saying?

@Luis Escobar [19:32]: Yeah.

@Luka Lah [19:35]: Let's make this shit's working.

@Luis Escobar [19:38]: So wait for. OK, then, You need to open another another screen. Go to back where you were to the list of all the different

@Luka Lah [19:49]: But

@Luis Escobar [19:57]: Automation

@Luka Lah [20:03]: Faultyizes it.

@Luis Escobar [20:09]: Just do, you can just duplicate that tab you were on before.

@Luka Lah [20:13]: Yeah, but I just closes.

@Luis Escobar [20:14]: Was it? Oh shit. That's fine.

@Luka Lah [20:18]: All right.

@Luis Escobar [20:21]: In your history? OK. Click on the little.

@Luka Lah [20:36]: Right, I want to eat something and I thought you were going to have lunch together tomorrow.

@Luis Escobar [20:41]: I'll come tomorrow. Top left. Click on the like the logo. And they OK. Now There's two agents here. There's an AI agent builder, that's the one you were just on, and then there's the agent developer that's the one that's making it. Now click on AI agent developer, click it.

@Luka Lah [20:59]: Mhm

@Luis Escobar [21:07]: OK. At the top, you see it says executions?

@Luka Lah [21:13]: Yeah

@Luis Escobar [21:14]: The last execution is yours. Yeah. OK, now, on the screen, the very bottom of the list, it says, Yeah, that, click on that. Now you see that URL.

@Luis Escobar [21:33]: Yep

@Luka Lah [21:33]: OK.

@Luis Escobar [21:34]: Open that in a new tab. There you go.

@Luka Lah [21:48]: OK. So now,

@Luis Escobar [21:50]: So now,

@Luka Lah [21:51]: Let's, let's Let's take, take this in. So this is now we have, we know how to build. And, and copy others water flows, and we got stuff connected and now we got the base.

@Luis Escobar [22:07]: Yeah, yeah, yeah.

@Luka Lah [22:09]: But I'll, but I'll always. Congratulations. It wasn't all that hard, I believe. I live

@Luis Escobar [22:14]: There's a combination of what I learned yesterday in that video. It literally came out yesterday, they released it yesterday a combination of some of the stuff I've been working on lately.

@Luka Lah [22:21]: At all. Well, there's the answer came yesterday, boom, and then the realization, well.

@Luis Escobar [22:30]: No.

@Luka Lah [22:33]: OK, so what is this? In magic we would say it needs to be radical, aka a lot of, you know, in other words, you can say a lot of energy to move.

@Luka Lah [22:50]: Realities, let's say. And I'm just going to be calling it like easy stuff, but I know that you, you know, I want you to get it, not to get consumed by

@Luis Escobar [23:00]: Yeah.

@Luka Lah [23:00]: Something on the side. So, and then also if you remember in real life how, how you make Anything happen, how you guys even make changes at home. Like a, a day like they had to had to happen. There is very stressful. A lot of, a lot of, I don't know, I'm just, I'm just guessing. It's just trying to give you a an example, right? A lot, a lot of turmoil goes into it and a lot of resistance.

@Luka Lah [23:33]: While Now we're going to realize that we, if we don't resist. And just accept this big responsibility, big power that this power lies inside of us without needing to have a fight.

@Luka Lah [23:50]: Without needing to, I don't know, go out, take drugs, whatnot, you know, get an incredible car to feel. I, I don't know. You get what I'm saying? We don't need to invoke our power through turmoil. This is the low way of working. That's the low frequency. The higher frequency of working is the same power we source from excitement, love, all of this stuff, and just, just

@Luka Lah [24:20]: For the sake of your passion, it is justified for you to not to your family for a day and just for the sake of achieving that passion and the results that that's going to bring is your wife's job to have kids one day alone and, and, and, and have a girls night. You

get what I'm trying to say like just an example, doesn't need to happen, but like you, you know what I'm trying to say?

[@Luis Escobar](#) [24:42]: Of course, this is all. Yeah, yeah, we, trust me.

[@Luka Lah](#) [24:48]: You, we don't, we don't need to get it through fights. We can accept it that we always got it and be that ferocious with some, with some, with some daily rules, aka discipline. Right? Just like a report, just like a project outline just like checking it twice, updating it for, for the whole stack that's going to be necessary or whatnot, all these, all these little things.

[@Luis Escobar](#) [25:18]: Yeah, yeah.

[@Luka Lah](#) [25:19]: You know, But we can introduce them and not and not get the result of it eventually life is going to take us there anyways, but it's going to be through a lot of like like turmoil because we're gonna be like, oh my God, it's not happening, it's not happening, and then it's anyway, it happens. Now I want to go into discipline, proper goal setting, you know, there is, there is, there is people your neighbors that are chasing a billion dollars, not a million dollars, you get what I'm trying to say? It's all is possible if our little team, a little band here can convene.

[@Luis Escobar](#) [25:34]: No.

[@Luka Lah](#) [25:50]: Ourselves that a billion is possible for us. There are 100 mL is possible for us, and we're going to look at it how it needs to get done. We're going to see what's important. We're going to list it out. We're going to go attack one by one in our best behavior and and strategize, we're going to have an 18 month run we're going to get skinny, we're gonna, I don't know what, but next year you're gonna buy a house on a fucking water with a boat in the front and everything was the

[@Luka Lah](#) [26:20]: I get paid or the turmoil is pretty much going to be the same. But the results are definitely not going to be there. It's going to be just a recycle, same, same here. I want to go for the, I want to go for the, for the big kill.

[@Luis Escobar](#) [26:31]: No.

[@Luka Lah](#) [26:35]: For a big hill, the next excites you, not that out of danger you're going for it, but out of excitement you're going for it.

[@Luis Escobar](#) [26:35]: Yeah. Yeah, man, no, I mean, that's the only, you know, of course, that's.

[@Luka Lah](#) [26:47]: The goal setting is the only thing that sets us, us, us apart because the proper, proper organization has a proper goal setting and is really anal about it because

that's the only driver because like the girl today on the phone, the new assistant, I'm like, how much do you want to make?

@Luis Escobar [26:51]: Yeah

@Luka Lah [27:04]: What's your perfect day like, what do you do best and what do you like to do, and you know, for 7 minutes, she couldn't give me the answer because anything is possible. She can work 10 hours and that's cool or you can work 30, you know, but I'm like, but what's your ideal when you decided that you're going to go and get more money for yourself. I don't know, you need 3 grand a month. But OK, now you can set your, set yourself a goal. What would really be nice? 100, right? You know what I mean? 10 grand. If I need

@Luka Lah [27:34]: It's great to make tents so that what I'm going to make 7 or 8, I'm gonna be bawling, you know what I mean? I can buy a new car that I didn't even want and thought that I need it right now, you know what I mean?

@Luis Escobar [27:45]: Yeah

@Luka Lah [27:45]: And that's what drives you then, but if constantly we don't believe in the smallest goals. Oh my God, it's going to be hard to achieve them just because that's an industry standard, then, you know, then it's 9 to 5 industry standard. We do it because everybody does it. Why don't we do it differently because it's impossible because if anybody because if it would be possible, somebody else would already do it.

@Luka Lah [28:10]: But at the same time I can say the same sentence. If it is possible, then somebody's already doing it. How many trillions of dollars are people making? You understand? So you gotta make a million for yourself in your pocket. Like it's now break it down what it's going to take to get there.

@Luis Escobar [28:19]: No

@Luka Lah [28:27]: You know what I mean? And I, I'm going to help and Isaac's going to help and we're all going to make money along the way, but currently with this little adjustments that we are making and then and the whole new marketing and everything in place. This looks like in the next 90 days it's going to be super fun in the next 6 months it's going to be even more fun. But guess what, there is also people that come to us. There is not necessary perform or don't perform because they are good or bad, but they come into some type of environment, environment.

@Luka Lah [28:57]: Needs to be top performing, you get what I'm saying? Not that Zach Schubert is just signing a deal with us to see if he's going to really go heavy with his company because he, he would want to, but you know, also it needs to come at a prosecuted from the other side and, and if it's smooth and if it's rewarding, not necessarily

just in money, but it's flowing like you ask for something, you get it and then you want to, you want to build it now and you're, you're in your flow and you can have a chat and everything, everything flows.

@Luka Lah [29:27]: Then it's like, wow, let's go and do this, right? But then he's texting you, I thought you were fast, you know, and we think, we think that this time we were really fast. But now just somebody really expressed it. People don't usually express it. He's kind of want to be a buddy buddy, so he expressed it kind of let's let's, you know, a little bit of a taste of my medicine, you know what I mean?

@Luis Escobar [29:39]: Mhm Yeah.

@Luka Lah [29:54]: But most of the people we're not going to express it. They're not even going to know that they're going to be affected by it. So not only did the decisions to work with us or not work with us, give us money, not give us money, but the grade of it, you know, the quality of it is always reflects.

@Luis Escobar [30:08]: Yeah.

@Luka Lah [30:08]: So if we want a ferocious's killer, we cannot be little kittens because no Ferro's killer wants to work for a little kittens. Kittens work for.

@Luis Escobar [30:19]: I hear you, man.

@Luka Lah [30:20]: You know what I mean?

@Luis Escobar [30:21]: I'm here to step it up.

@Luka Lah [30:21]: Right, right, right? The more, the more crazy you get, the the crazier it's gonna get.

@Luis Escobar [30:24]: But I mean, that goes through 3. Difficult. Like the 3 of us we step it up, right? like.

@Luka Lah [30:28]: Huh Yes, everyone, everyone, I'm saying we need to keep each other accountable and when somebody says, hey, fuck, you could do this better, I say fuck, I know I'm going to do it even better. Let's go, you know what I mean? All of us and, and just talk to myself to to to.

@Luis Escobar [30:31]: That. No.

@Luis Escobar [30:50]: Hm

@Luka Lah [30:52]: I over there. I'm, I know what that is is that's fucking the vitamins proper.

@Luis Escobar [30:56]: So Yeah, man. I'm gonna get on it, I got things to do right here. But I'll circle back.

@Luka Lah [31:05]: Well Only keep me out there.

@Luis Escobar [31:09]: I got you.

@Luka Lah [31:10]: Sure
